Lucknow Uttar Pradesh

EDUCATION

BABU BANARASI DAS UNIVERSITY - Lucknow, Uttar Pradesh *Expected in 06/2026*
Bachelor of Computer Applications

- Developing practical skills in coding, project development, and IT problem-solving.
- GPA: 7.6 GPA/CGPA

PROFESSIONAL SUMMARY

Developed excellent communication and instructional skills in industrial environment, looking to transition into new field. Demonstrates ability to convey complex information clearly and effectively, with focus on safety and efficiency. Seeks to leverage these transferrable skills to contribute to dynamic and collaborative team in new setting.

SKILLS

- **Frontend:** HTML, CSS, JavaScript
- **Backend:** Django, Python
- **Database:** MySQL
- **Tools/Technologies:** Git, GitHub
- Experience with Microsoft tools

EXPERIENCE

Industrial Training | Techpile Technology PVT. LTD - Lucknow, India

- Learned and worked with technologies such as HTML, CSS, JavaScript, Django, and MySQL. *01/2026 - 04/2026*
- Assisted in developing a full-stack blogging website as a final year college project.

PROJECT

Project: Blogging & Content Publishing Platform

Technologies Used: HTML, CSS, JavaScript, Python, Django, SQLite Developed a full-stack blogging platform where users can create, publish, and interact with blogs.

- Implemented features such as user authentication, likes, comments, bookmarks, blog translation, and blog summarization.
- Designed and managed the admin panel for controlling users, blogs, comments, and overall website content.
- Integrated database management using SQLite for secure storage and retrieval of user and blog data.

Challenges Faced:

- Managing user authentication and maintaining secure access control for both users and admins from same login panel.
- Implementing translation and summarization features while maintaining proper performance and usability.
- Debugging backend issues and ensuring smooth interaction between frontend and Django backend components.
